REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

The amendment to the claims has overcome the prior art of record. The specification supports the amendment [Page 8, lines 9-28]. Therefore, claims 1-35 are indicated allowable.

New search updates reveal no other prior art which teaches the limitations in the context of the claims.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
